

**SCENE 1 – DIRECTORS CUT**

**(Director and Assistant Director enter from stage right)**

**Director:**

Nope (Throws script)

**Assistant Director:**

What about this one? (Hands him another script)

**D:**

Looks like a baby wrote this one.

**AD:**

(Snatches script from Director) HEY ... I wrote this one!

**D:**

We need something dazzling!  
Something like...a lost little girl, with ruby red shoes and a brick road that's um, um ...

**AD:**

(Sarcastically) Yellow?

**D:**

YES! A yellow brick road...Something like that!

**AD:**

We should just perform Wizard of Oz.

**D:**

(As if you thought of it) I GOT IT ... we should just perform the Wizard of Oz!

**AD:**

I JUST SAID THAT!

**D:**

I'm a genius. (To AD) Tell me ...  
How does it feel to work with a theatrical legend?

**AD:**

(Looks around)  
Who are we talking about?

**D:**

How should we start the show?

**AD:**

How about we start the show off in Oz?  
The storm has blown Dorothy's house right into Oz  
and right on top of the Wicked Witch of the East.

**D:**

(Steps in front of AD and pushes her back)

Yes! I love where I'm going with this.

(Walks off stage right)

**AD:**

(To audience) Women, we ACTUALLY think of everything!

## SCENE 2 – YELLOW BRICK ROADIE

**(Dorothy, Toto, Director, AD and munchkins enter from stage right)**

**D:**

(Explaining to her) Now Dorothy, you landed in Oz,  
your house just squashed the Wicked Witch of the East  
and turned her into a sandWITCH.

Get it, a sandWITCH? Ha Ha, because she's a witch ... Oh never mind!

**(Everyone thinks the joke is corny)**

**AD:**

ALRIGHT, places everyone, the show is about to begin ...

**D:**

AND ACTION!

**Dorothy:**

(Comes out of her house)

Oh goodness, oh my goodness Toto, that was one crazy storm.  
And it looks like it blew our house to a very strange land.

**Toto:**

We're not in Kansas anymore Dorothy.

**Dorothy:**

We are somewhere over the rainbow ...

**Toto:**

I feel a song coming on.

## SOMEWHERE OVER THE RAINBOW SONG

**Toto:**

(Sniffing around) Hey Dorothy, look what I found?

**Dorothy:**

What is it Toto?

**Toto:**

Looks like, a pair of legs.

**(Munchkins begin to appear slowly. All of a sudden, Glinda appears)**

**Glinda:**

Well hello there little girl, what's your name?

**Dorothy:**

My name is Dorothy and you are...?

**Glinda:**

My name is Glinda.

**Dorothy:**  
Where did you come from?

**Glinda:**  
The south my dear. (Break character) You just hop on I-35 and take 820 toward Ft. Worth.  
But I wouldn't take 35 from 2 to 7 because  
that freeway is from the devil himself!

**Dorothy:**  
And who are they? (Talking about the Munchkins)

**Glinda:**  
Oh those are the munchkins of Munchkin Land.  
They have come out to see the one who saved them.

**Dorothy:**  
Who saved them?

**Munchkins:**  
YOU DID!

**Lola:**  
On behalf of all the munchkins of Munchkin Land, I would like to say  
thank you for saving us!

**Took:**  
Thank you for freeing us from our horrible oppression!

**Daisy:**  
You have truly set the captives free!

**Munchkins:**  
Hallelujah!

**Branch:**  
Hey Dorothy, is this your dog? Oh how cute! (Scratches Toto)

**Toto:**  
Hey hands off the fur lady!

**Sigi:**  
As a token of our appreciation, my sister and I would like to give you  
our very own, PATENT PENDING double love bug hug.

(Sigi and Puddifoot give Dorothy a hug from both sides)

**Dorothy:**  
I do ... But I don't understand, how did I save you?

**Glinda:**  
It's very simple my dear. These poor helpless runts -

**Lola:**  
(Clears throat) Ah hum. Officially we are called "munchkins."  
We don't use the word "runt" anymore.  
It's culturally insensitive.

**Glinda:**

Munchkins once roamed around happy and free.  
But one day, a horrible evil settled over the land.  
A wicked witch from the east appeared and began to treat the  
munchkins as if they were her slaves.

**Took:**

She made us do cruel CRUEL things!

**Daisy:**

She made us make our beds.

**Branch:**

She made us clean all the time!

**Sigi:**

She's a MONSTER!  
She even made me clip her toe-nails!

**(Everyone is grossed out)**

**Glinda:**

You see Dorothy, those legs that Toto found are the legs of the wicked witch of the east.  
Your house just came and landed right on top of her.  
(Break character) I mean that's a crazy way to die!  
One day you're walking along, minding your own business ... all of a sudden  
a house RANDOMLY comes flying out of the sky and smashes you like BAM!  
(Back in character) Dorothy, you killed the the Wicked Witch of the East and now the munchkins are free.

**Munchkins:**

YAY!

**Glinda:**

And I would like to give you a gift, the wicked witches **ruby red shoes**. Be sure to never take them off.

**Lola:**

You helped us Dorothy, how can we help you?

**Dorothy:**

As amazing as munchkin land is, Toto and I would really like to go back home.

**Lola:**

The Wizard of Oz can help you get home.  
And to find him, all you have to do is follow the yellow brick road.

**Dorothy:**

Follow the yellow brick road?

**Munchkins:**

FOLLOW THE YELLOW BRICK ROAD!

**FOLLOW THE YELLOW BRICK ROAD SONG**

### **SCENE 3 – WICKED WHICH**

**(Actors exit. AD, flying monkeys and the wicked witch enter from stage right)**

**AD:**

Elle, here's what we're going for in this scene ...  
You have discovered that innocent little Dorothy  
just killed your sister by dropping a 50 ton house right on her head.  
Alright places everyone, places ... **AND ACTION!**

**(Baggins, Stig and Ralf exit the stage but then come flying back in)**

**Baggins:**

(Tired) Whew I'm tired from doing all that flying!

**Stig:**

Are you going to tell her or should I?

**Ralf:**

Why don't you tell her the news, you've always been her favorite flying monkey.

**Wicked Witch:**

What news?

**Baggins:**

Do you want the good news or the bad news first?

**WW:**

Hmm, tell me the good news first.

**Ralf:**

We don't have to see any more political post on Facebook.

**WW:**

And the bad news?

**Stig:**

Your sister got hit by a house. And died.

**Baggins:**

Whenever someone ask you, "Do you want the good news or the bad news first?"  
Just know the good news **ALWAYS STINKS** compared to the bad news.

**WW:**

Was there anyone inside the house?

**Ralf:**

Yes, a little girl named Dorothy.

**WW:**

A little girl named Dorothy you say? Hmm, was she cute?

**Flying Monkeys:**

(Shaking their heads yes)

**WW:**  
Cuter than me?

**Stig:**  
Everyone is cuter than you.

**WW:**  
(Lunges to attack Stig) Oh be quiet!  
(Very worried) WAIT! Tell me this one thing ...  
Did she have on a pair of ruby red SHOES?!

Flying Monkeys:  
(Shaking their heads yes)

**WW:**  
NOOOO! I must get those shoes! For those shoes have unspeakable power -

**Baggins:**  
What power are you talking about oh evil one?

**WW:**  
Those shoes ... MATCH ALL OF MY OUTFITS!  
Alright you pathetic excuses for minions, it's time we go get those shoes  
and destroy Dorothy in the process.  
(Evil laugh) Bwhaaa haaa haaa!

**Flying Monkeys:**  
(Laughing improperly)  
Ha Ha Ha!

**WW:**  
NO you buffoons, it's like this ... Bwhaaa haaa haa!

## SCENE 4 – DOROTHY AND THE THREE BEARS

**Director:**

OK Karis, darling, in this next scene you're hopping and skipping along the yellow brick road when all of a sudden, you encounter four odd individuals.  
Are you ready?

**Dorothy:**

(Very dramatic) I was born for the spot light. My life is all about the theater and -

**Director:**

(Interrupts her) Yeah, whatever ... AND ACTION!

**Dorothy:**

(Singing) We're off to see the Wizard, the wonderful Wizard of ...  
(Discovery) Oh no Toto, who are they?

**Toto:**

They look like misfits. Need me to go RUFF them up?  
Get it, RUFF them up? RUFF, because I'm a dog ... Oh never mind.

**(Lion, Scarecrow, Tin-woman and Tito are all huddle around a small table)**

**Lion:**

Hey, how ya doing over there? (Goes to Dorothy)  
My name is Cowardly Lion.  
Let me introduce you to my crew. That right there is Brainless Scarecrow.  
That's Heartless Tin -

**Tito:**

(Runs up to Dorothy excited) I'm Tito! Do I know you?

**Toto:**

Tito?!

**Tito:**

Yes, my name is Tito. Rhymes with Cheeto! What is your deal?

**Toto:**

Tito it's me Toto ... Your long lost twin sister!

**Tito:**

Toto?! I remember you and I use to chase cars and bark at them for no apparent reason.

**Toto:**

Is it really you?

**Tito:**

Yes it's really me! I've been lost on this yellow brick road for ages.  
I was roaming the treacherous land of Oz, when I came across these three.  
I had no family, no friends and no food. They took me in and now I'm part of the crew!

**Dorothy:**

(To Scarecrow) So what's your story?

**Scarecrow:**

I am a brainless scarecrow. When the creator was creating me,  
He left out the brain part. I have two legs (Does a weird leg move)  
I have two arms (Weird arm move) two eyes, two ears,  
one of these thingies (pointing to nose) but NO BRAIN!  
Hey, tell me, how does it feel to have a brain?  
WAIT, don't tell me, I'll just imagine what it's like to have one.

**IF I ONLY HAD A BRAIN SONG**

**Tito:**

Hey cowardly lion, why don't you tell them why you're so cowardly?

**Lion:**

I'm from the mean streets of New York, born and raised baby. What I didn't know is that  
the concrete jungle had a heart of stone. I became afraid of the big city and this kitty could roar no more.  
(softly) Meow.

**Tito:**

Oh stand up for yourself man! You're a LION! Lions aren't afraid of anything.

**Lion:**

Hey, speak for yourself! I'm afraid of everything.

**IF I ONLY HAD THE NERVE SONG**

**Dorothy:**

Oh my, these stories are so interesting.  
Do you have anything to say Tin-man?

**Tin-Woman:**

(Muffled because your mouth is rusted shut) I'm actually a woman.

**Tito:**

Did you say something?

**Tin-Woman:**

(Muffled) I'm actually a woman.

**Dorothy:**

Oh let's give him some oil, maybe that will help.  
(Squeezes some oil on her lips)

**Tin-woman:**

I'M ACTUALLY A WOMAN!  
I have no heart. No desire, no will, no emotion.  
I'm just an old bucket of bolts doomed to one day live among the scrap heap at a junkyard.

**Scarecrow:**

She's SUPER dramatic.

**Tin-woman:**

I once knew what it felt like to have love for people and a desire to impact their lives. I have since lost that  
desire and now, I just sit around and play Uno with the crew.  
It really stinks being an empty shell.

## IF I ONLY HAD A HEART SONG

**Dorothy:**

Hey guys, guess what? (To Scarecrow) I can help you get a brain, (To Lion) you get courage  
(To Tin-woman) and you get a heart?

**Scarecrow:**

How?

**Dorothy:**

We'll all go see the Wizard of Oz and he can help us!

**Lion:**

You're telling me the wizard can help me go from Hello Kitty to Mufasa?

**Scarecrow:**

...And he can help me get a brain so I can be as smart as Bill Gates?

**Tin-woman:**

(Getting emotional) Is it true the wizard can get me a heart so I can start feeling again?

**Dorothy:**

He sure can. Just follow me ...

(All Singing) We're off to see the Wizard the wonderful wizard of Oz!

## **SCENE 5 – OOMPA LOOMPA vs MUNCHKINS**

**(Lola, Addy and Assistant Director enter from stage left)**

**AD:**

OK you two we have a twist in the plot. We're about to have a dance off.  
I don't know why we're doing this but just make it good!  
Alright get to your places ... and ACTION!

**(Munchkins enter)**

**Lola:**

Well I hope Dorothy has found the wizard by now.

**Took:**

Me too, the show is kind of going long.

**Sigi:**

Hey, guys, look. Who are they?

**(Oompa Loompas start to appear)**

**Addy:**

We are the Oompa Loompas!

**Stu:**

You've never seen anything like us before.

**Addy:**

We are lean mean dancing machines.  
So if you have a problem with that, you might wanna' get out of our way.  
It looks like you're a little SHORT on talent!

**Roseamunda:**

You know that's right!  
Not only is our dancing OFF-THE-CHAIN,  
we heard you all singing earlier and let's just say ... You need some Auto-Tune!

**Malva:**

Let's see ... you all can't dance and you can't sing ... So what CAN you do?

**Tunly:**

I bet you can't do it like me (Does a little dance move)

**Addy:**

Enough talk, it's time to BATTLE! Cue the music!

### **DANCE BATTLE MUSIC**

**Addy:**

You know what ... you munchkins are not so bad after all.

**Stu:**

Yea, I guess you all do have some skillz. That's SKILLZ with a "Z" on the end.

**Addy:**

Alright, alright I'm sorry about the stuff I said earlier.  
I still think I'm a BOSS but I guess you all are mini-bosses.

**Roseamunda:**

You showed us that you have heart, good job!

**Malva:**

(To Tunly) Hey, what are you doing, the scene is almost over.

**Tunly:**

(Dancing) I just can't stop dancing, it's in my soul!

**(Oompa Loompas and Munchkins walk off stage congratulating each other)**

**Lola:**

(To audience) I wonder if the Oompa Loompas know ... They are in the wrong show.

## **SCENE 6 – WELCOME TO EMERALD CITY!**

**(Director, Dorothy and the Crew, Mayor of Emerald City and Towns People enter on stage)**

**AD:**

OK folks gather, gather. Now, in this scene,  
Dorothy and the crew arrive at Emerald City to meet the Wizard.  
Any questions?

**Aldric:**

Can I go use the bathroom?

**AD:**

There are no bathroom breaks in the theater, THE SHOW MUST GO ON!  
Places everyone ... AND ACTION!

**Dorothy:**

Looks like we made it to Emerald City! I'm so excited!  
I know the Wizard can help us, I can just feel it.

**Mayor:**

WELCOME TO EMERALD CITY, the greatest city in OZ!  
Come on in everyone! I am the mayor of this delightful little town and  
we are so glad you are here!

**Dorothy:**

Mr. Mayor, can you take us to see the Wizard?

**Mayor:**

Oh so you want to see the wizard, huh?

**Everyone:**

Yes!

**Mayor:**

Well hold your horses! You just got here. You can't skip right to the Oz part.  
Let me show you around town a little.  
Right over there -

**Dorothy:**

(Interrupts Mayor)

Oh mayor, I wish we had the time but we are in an awful hurry.

**Scarecrow:**

I need a brain!

**Lion:**

I need courage!

**Tin-woman:**

I need a heart!

**Tito:**

I need a Cheeto!

**Mayor:**

Sounds like you all are falling apart.  
OK, you need to talk to my towns people.  
They can fix you all up and get you ready to see the Wizard.

**Aldric:**

My name is Aldric and I will be your cab service.  
I will take you anywhere you need to go, just say the word.  
And FYI, we are way cheaper than Uber.

**Dip:**

My name is Dip and I am a masseuse!  
(Talking about her own hands) You see these hands? YOU SEE THESE HANDS?  
These are the hands of a massage beast!  
Just lay on my table and I can get all those kinks out.

**Dot:**

Hey, let me see those shoes. Yep, just what I thought ... DIRTY!  
Looks like you all have been on a pretty wild journey.  
No problem at all, no problem.  
Come to my shoe shine shop and I will fix you right up!

**Sophie:**

(To Dorothy) Whoa, you must be TRIPPIN', you need some MAJOR  
work done on your nails girl!  
These nails just won't do, not at all.  
I can schedule you an appointment right now if you want?

**Aldric:**

You all have been traveling for a while now. How about I take you to go get a bite to eat?  
We have the finest restaurants here in Emerald City. We've got Burger Queen, Mc.Emerald City's and my  
personal favorite, International House of Oz.

**Dip:**

Your name is Lion right? You seem a little tense? Let me try some therapy on you.  
How does this feel? (Karate chops Lions back)

**Dot:**

It's so hard for me to stand by and look at all these dirty shoes. I graduated from Emerald City Junior  
College with a degree in feetology. I am a professional shoe shine master. Alright, who's going first?

**Sophie:**

So what's your thing ... a mani or a pedi?  
I can do both but the pedi is gonna cost you extra.  
I'm not really into touching people's feet, they often smell like corn chips.

**Mayor:**

You see, in Oz, your wish is our command!

**MERRY OLD LAND OF OZ SONG**

## SCENE 7 – THE WATER, THE WITCH and THE WARDROBE

**Director:**

AND CUT!

Nice job everyone. I've got a little tear in my eye because you all look like stars to me.  
You don't shine as bright as I do but maybe one day, you can get on my level.

**Assistant Director:**

We have arrived at our final scene.  
In this scene, the wicked witch shows up for  
the final battle to get those shoes.  
So everyone go back to your last place before Merry Old Land of Oz ended.  
(Everyone goes to places)  
Alright, be super still, don't move.

**Mayor:**

Maybe we could do the mannequin challenge?

**(Wicked Witch and flying monkeys enter center stage)**

**AD:**

AND ACTION!

**Wicked Witch:**

Stop all that singing! What do you think this is ... a musical?

**Dip:**

It actually is a musical

**WW:**

Oh get out of here!

Dorothy my darling, I see you have something I want, something I need.  
Give me those shoes, I must have them!

**Dorothy:**

Glinda told me I should never take them off.

**WW:**

Come on do you listen to everything people tell you?  
You know what they say, don't believe everything you read on the internet  
and a spoonful sugar makes the medicine go down.

**Dorothy:**

(Confused by what she just said) Huh?

**WW:**

Oh never mind, just give me those SHOES!

**Dorothy:**

No stay back you mean old witch!

**Lion:**

Here, spray her with some water. (Hands Dorothy a water gun)

**Tin-woman:**

A water gun? That's the dumbest ...

**(Dorothy squirts water on her)**

**WW:**

Oh no, you found my absolute weakness ...

**Tin-woman:**

What do you know, it really worked.

**WW:**

(Melting) What a world, what a world!  
I'm melting, I'm melting ... even though it's really cold outside.  
Nooooo! Maybe I should have tried to get UGG boots!

**Dot:**

Hurray, the witch is dead!

## **DING DONG THE WITCH IS DEAD SONG**

**Dorothy:**

Mayor? Is there any way we can see the Wizard now?

**Mayor:**

You sure can ... OH WIZARD?!

**(A big green head appears)**

**Wizard:**

I am the Wizard of Oz, the great and POWERFUL!

**Dorothy:**

Oh Wizard, we need your help.

**Wizard(Booming Voiceover):**

Everyone always needs my help! What if I need someone to help me? I'm tired of being the Oz!  
Can someone else please make all these decisions for me? NOOOO!  
You just keep calling on old Ozzy to fix your problems ... Oh sorry, I kind of lost it there.  
OK, what do you need little girl?

**Dorothy:**

Well my friend Scarecrow needs a brain, Lion needs courage and Tin-woman needs a heart.

**Wizard:**

And what about you?

**Dorothy:**

And me, I would love to go home.

**Wizard:**

Hold please ... (Oz comes out and reveals himself)

**Scarecrow:**

You're a little shorter than I was expecting.

**Wizard:**

I know you all came looking for a heart and a brain and courage but what you didn't know is, God gave you all of those things already, you were born with them. Scarecrow, you said you wanted to "imagine what it was like to have a brain", well guess what, in order to imagine something, you have to have a brain ALREADY? Lion, you said you don't have courage but that's not true. It takes a fearless lion to be a leader and I would say out of everyone in your crew, YOU are the leader. Tin-woman, you most definitely have a heart. The passion you have for people is still inside you. You almost cry every time you think about it.

**Tin-woman:**

(Crying a little) It's true.

**Glinda:**

And Dorothy, you said you want to go home?  
Well you've had the ability to go home this entire time.  
The power to go home is in your shoes.

**Wicked Witch:**

(Pops her head up) I knew I loved those shoes!

**Glinda:**

All you have to do is click your heals three times and say that magical little phrase...

**Dorothy:**

What phrase?

**Everyone:**

There's no place like home!

**THE END!**
