

ALADDIN

SETTING: The City of Agrabah

Emcee 1:

Welcome ladies and gentlemen to the beautiful City of Agrabah!

Emcee 2:

A City full of wonder...

Emcee 3:

Agrabah is the place to be, the hot spot of the Middle East...

Emcee 4:

And when she says hot, she means HOT because it's usually 110 degrees around here.

Emcee 5:

In Agrabah, all your dreams can come true. Like your dream of buying very expensive merchandise.
(Shows the audience some junk for sell)

Emcee 1:

Well I see you're not interested in our discount items.
Maybe we should show you some of our more rare products like...

Emcee 2:

This lamp!
(Everyone strikes a pose pointing toward the lamp)

Emcee 3:

Yes...this lamp has a very interesting history...

Emcee 4:

Would you like to hear the tale of how this little bitty lamp
did huge things for a young boy?

Emcee 1:

Our tale starts in the cave of wonders,
where Aladdin and his best friend Abu are hopelessly
trapped forever because Jafar...!

Emcee 4:

(Whispering loudly) Jafar is the bad guy!

Emcee 1:

Because Jafar tricked Aladdin into stealing the lamp from the cave.

SCENE CHANGE(Cave of Wonders)

Aladdin:

I can't believe that old man tricked me and now we're stuck in the cave of wonders
and we didn't even get the lamp!

Abu:

(Reveals that he has the lamp)

Aladdin:
ABU! You old trickster...
you got the lamp from him! Good job!

Abu:
Thanks Aladdin!

Aladdin:
You can talk now?

Abu:
I've been taking English classes in the summer

Aladdin:
That's great...and disturbing that you know English, but we have a huge problem...

Abu:
Yes, we do have a huge problem...
There's nowhere to use the bathroom.

Aladdin:
NO! How are we going to get out of this cave?
We have to put our heads together to come up with a plan.

Abu:
(Abu creeps over and puts his head on Aladdins head)

Aladdin:
Not literally! I mean we need to think of a way out of here.

Abu:
I don't know, maybe rub the lamp?

Aladdin:
(Snatches lamp from Abu and frantically rubs it)
How is rubbing this thing going to get us out of here?
(Genie appears)

Genie:
Thanks for rubbing that lamp buddy! 10,000 thousand years in that thing can
give you such a crick in the neck!

Aladdin:
Who in the world are you?

Genie:
Who am I? WHO AM I? Haven't you seen this in the movies?
When you rub a lamp, a magical genie pops out and grants you 3 wishes.
Duh...I'm the GENIE!

Aladdin:
Hey Genie, my name is Aladdin and this is my friend Abu.

Abu:
Wazzup?

Genie:

Whoa, a talking monkey. I haven't seen that since...Never.

Aladdin:

Genie, we have a huge problem.

We are stuck down here and we have no way of getting out.

Genie:

You've come to the right genie. You see, I'm not like anyone you've ever met.

I can do things for you, no one in the world can. That's right, you've never had a friend like me.

Why don't you roominate, while I illuminate the possibilities...

Friend Like Me

Emcee 6:

Well I hope you all are still interested in our little tale?

Emcee 7:

Because it doesn't end there

Emcee 8:

Our new friend Aladdin, with the help of the Genie, ESCAPES the cave of wonders.

Emcee 9:

(To the Audience)

That's your cue to say "Ouuuu!"

Emcee 7:

Now that Aladdin is free from the cave and he has a magic genie, the sky's the limit!

Emcee 8:

But Aladdin really likes the Princess of Agrabah, Princess Jasmine.

(Emcee 6, 7, 8 and 9 all go "Ouuu!" and start giggling)

Emcee 6:

Unfortunately for Aladdin a Princess can only marry a Prince.

(Emcee 7, 8 and 9 go "Ouuu")

Emcee 6:

Would you stop that?!

Emcee 9:

Let's check out this next scene.

Not only does our scene change, but our Genie is looking a little different too.

SCENE CHANGE (Near Jasmines Palace)

Aladdin:

Genie? Genie? Where are you?

Genie:

I'm right here! (Pops out from nowhere)

Aladdin:

Whoa, you look totally different, what happened?

Genie:

I started drinking milk and I went sun tanning.

Aladdin:

Genie, I have to admit something to you.
There's this girl that I like and well, she's way out of my league.

Genie:

Who is she Al? Can I call you Al?

Aladdin:

It's the Princess.

Genie:

Whoa! She's more than out of your league buddy,
she's on a different planet!

Aladdin:

A princess will never marry a street rat like myself. A princess can only marry a prince.

Genie:

Hello? I'm a Genie, just wish that you were a
Prince and boom, badda, bing, bang, BOOM...I'll make you a Prince!

Aladdin:

Genie, I wish I was a Prince!

Genie:

Hold on to your turbin kid, we're about to make you star!

SCENE CHANGE (Jasmines Palace)

Jasmine:

He likes me, he likes me not, he likes me a whole lot, he likes me not...

Penelope:

Girl, what are you doing?

Jasmine:

(As if you got caught) Oh nothing... just sitting here...thinking about...falafels.
I love falafels. You like falafels?

Penelope:

That won't work on me.
Oooh, you like someone...I can see it in your eyes.
What's his name?

Jasmine:

I think his name is Aladdin

Penelope:

Is he a prince?

Jasmine:

I don't think so but he's so dreamy!

Penelope:

Snap out of it!

You know the rules. A princess can only marry a prince.

Jasmine:

(Frustrated) For the past 2 years, my father has been presenting suitors for me to meet. And they have all been horrible. One guy said to me, "Do you have a band-aid? Because I scraped my knee falling for you."

Penelope:

That. Was. PATHETIC!

(Enter Sultan, Captain of the Guard, Jafar, Iago with Prince 1 and 2)

Sultan:

HA HA HA! That was a funny joke Prince...uh...What was your name again?

Prince 1:

I am Prince Number One.

That pretty much means that I am the only ONE for your daughter!

Sultan:

(Slaps Prince 1 on his back) You're a funny guy, I like you.

Ah yes, and who else do we have here?

Jafar:

I will interrogate this one and see if he's a proper suitor for the princess.

Iago:

(Parrot echoing Jafar) Interrogate this one.

Jafar:

(Interrogating) What's your name? Well spit it out!

Prince 2:

I am prince number 2

Jafar:

What kind of name is that...Number 2?

Iago:

(Echoing) Number 2 (Giggle)

Jafar:

Let me inspect this lad. Hmm, nice head of hair...

(Opening Prince 2's mouth) clean teeth...Nice broad shoulders..

(Sniffs around Prince 2) Oh my...(sniff) Oh my (sniff) What is that awful odor?

Prince 2:

Oh that's my new cologne...Le Skunk!

Jafar:

Captain!

(Enter Captain and Guards)

Please remove this odoriferous and unscrupulous excuse for a prince.
Princess Jasmine deserves only the finest.

Captain:

Right away sir.

Guards...Seize him!

(Guards grab Prince 2 and wince because he stinks)

Guard 1:

He smells SO bad! Where should we take him?

Guard 2:

Let's take him to a shower.

Guard 1:

Better yet, lets make him take a bath in tomato sauce.

Guard 2:

Great idea. My nose is starting to hate me.

(Exit stage left)

Captain:

Sultan, as captain of the guard, I must infer
that not one of these suitors you present today are good
enough for the princess. Jasmine deserves only the best,
better than the rest, someone who can pass the test...

Sultan:

What test?

Captain:

I don't know, I just said all of that because it rhymed.

Prince 1:

Hey, I'm a great prince, I've got jokes that will make the princess crack-up.

Oh here's one...Why can't you give Elsa a balloon?

Because she will LET IT GO!

Captain:

UGH...Frozen jokes?!

Guards, get em' outta here!

Guard 1:

(Whispering loudly) I thought it was funny.

Sultan:

(Crying loudly) Is there no prince good enough for my daughter?

Where are all the good guys in the world?

They either stink at telling jokes or they stink LITERALLY.

Captain:

(Goes to window)

Wait, there seems to be some type of commotion going on in the street.
Looks like a parade...I see people driving by in ugly decorated vehicles.
Wait! Sultan, I think that's a procession...for a prince!

PRINCE ALI

Emcee 1:

And that concludes our happy little story

Emcee 2:

Prince Ali of course turns out to be Aladdin

Emcee 3:

(Shaking your head) Boys...Always trying to impress girls

Emcee 4:

Even though Aladdin wasn't a true prince, he had a royal heart

Emcee 5:

Aladdin kept his promise to the Genie and released him from being trapped in the lamp

Emcee 6:

Princess Jasmine knew Aladdin was an incredible guy

Emcee7:

Jasmine convinced her father to change the rules of the kingdom

Emcee 8:

And Aladdin and Jasmine lived happily ever after.

Emcee 9:

OK everyone, come on out, group hug, group hug!
