

**LION KING** Timon and Pumbaa

*Scene: Somewhere in the jungle*

**Narrator:**

Every story has characters and in this scene we are introduced to two guys you will never forget. We all know famous duos like Batman and Robin, the rap group Salt and Peppa and Peanut Butter and Jelly; Ladies and gentlemen I'd like to introduce you to Timon and Pumbaa.

**Pumbaa:**

Hey Timon, just got an e-vite to a dedication. Timon, where are ya buddy?

**Timon:**

(Offstage) Pumbaa, can I ask you a question?

**Pumbaa:**

We're best buds for life, you can ask me anything.

**Timon:**

(Enter) Does this hula skirt make me look fat?

**Pumbaa:**

Umm ... I wouldn't say fat, that's so offensive. How about swollen? You look swollen.

**Timon:**

Thanks buddy! Hey, what were you saying earlier? Something about a dedication?

**Pumbaa:**

You and I have been invited to the dedication of the prince of the jungle. Mufasa and Sarabi had a son!

**Timon:**

I don't know what you're so excited about, everyone you just mentioned is a lion and lions eat guys like us!

**Pumbaa:**

No, I'm way too chewy. And you, you're full of high fructose corn syrup. We're both disgusting.

**Timon:**

I wonder if I'm too dressed up for the occasion?

**Pumbaa:**

We are animals, we don't wear clothes.

**Timon:**

I'm NAKED?!

**Pumbaa:**

Yes - well no. You are ell-natural.

**Timon:**

(Freaking out a little) I don't want to be ell-natural. I want to be ell-not naked!

**Pumbaa:**

Hey, hey calm down buddy. Just remember our motto -

**Timon:**

Oh yea, the one that goes; Don't go to a lion dedication or you could wind up being eaten at the celebration.

**Pumbaa:**

NO. Hakuna Matata. No worries. Come on, say it with me Hakuna Matata -

**Timon:**

Hakuna Ma...tator tot

**Pumbaa:**

You're hopeless!
